

**All American Bingo
was established and incorporated
in 1989, in St. Louis, Missouri.**

Since then we have grown to be one of the largest suppliers in the Midwest, servicing charitable bingos in Kansas, Missouri, Illinois, Iowa and Wisconsin. We are also proud to currently service several large Native American tribal organizations including the Kickapoo, Meskwaki Eastern Shawnee, Oneida and Potawatomi tribes.

We offer many “value added” services, such as:

- *A huge selection of novelty and promotional items for door prizes, raffles or resale.*
- *Promotional support for event planning.*
- *Program design and development.*
- *Factory trained service technicians and a 7 day a week, toll-free technical assistance phone line.*
- *Seminars, training sessions and much, much more!*

Our company philosophy is simple:

- *Treat every organization with the high level of respect they deserve, regardless of size*
- *Respond to customers' needs quickly, accurately and economically.*
- *Continually present programs that will increase attendance and revenue for our customers.*

By maintaining a strong focus on these elements, All American Bingo has grown to be virtually the largest and most respected distributor in Missouri, and the surrounding states.
